SHRI KRISHNA KUMAR BIRLA:

Will the Minister of PLANNING AND PROGRAMME IMPLEMENTATION be pleased to state:

(a) whether the Central Government project in large number are running behind schedule;

(b) if so, the details thereof and the reasons therefor;

(c) whether there is a steep escalation of the cost of these projects; and

(d) if so, the details thereof and the steps taken by Government to complete such projects without cost escalation?

THE MINISTER OF STATE OF THE MINISTRY OF PLANNING AND PROGRAMME IMPLEMENTATION (SHRI BALRAM SINGH YADAV): (a) Yes Sir, as on 1.7.95 out of 383 projects on the monitor of Department of Programme Implementation 213 projects were running behind schedule with reference to their latest approved schedule.

(b) The extent of delay varied from project to project and it ranges between 1-161 months. The main reasons for the delay are land acquisition and related problems of rehabilitation, fund constraints and delay in supply of equipment, etc.

(c) Yes Sir, out of 383 projects 146 projects have reported cost escalation.

(d) The Overall cost escalation of 146 projects was 59.6% with reference to the latest approved cost estimates. The main reasons for the cost escalation are the time overrun, inflation, exchange rate variation and under estimation/omission in the origional estimates of the projects. The various steps taken by the Government to improve the project implementation of the project are indicated in Statement laid on the table of the House.

Statement

STEPS TAKEN BY THE GOVERNMENT TO STREAMLINE FOR PREPARING THE ORIGINAL ESTIMATES AND IMPLEMENTATION OF PROJECTS

(i) Two-stage project approval to assure adequate preparation, environmental and other clearances and infrastructure planning at stage I before a project is finally approved for implementation at stage II.

(ii) Simplified procedures for approval of revised cost estimates under which the cost escalation on account of reasons beyond the control of an enterprise, within the original gestation period, is to be sanctioned by the Administrative Ministry in consultation with the Planning Commission. Only revised cost estimates exceeding 5% of the approved cost estimates on account of factors other than those indicated above are to be submitted to the Public Investment Board/Cabinet Committees on Economic Affairs for approval.

(iii) Intensive monitoring of projects at various levels. This enables the monitoring agencies to
